FOIA(b) (7) - (D)

- 1A -

FOIA(b) (7) - (D)

Following, in outline form, is an account of the days topics.

1) Recent RU Activities:

West Coast delegates spoke of sponsoring a successful May Day demonstration in San Francisco. They were elated that a lot of workers attended. Four hundred to six hundred people demonstrated. AVAKIAN and the GREENBERGs contended that the May Day demonstration showed RU's ability to mobilize people. CHUCK WOOTEN from the League of Revolutionary Black Workers in Detroit was in attendance and was impressed by RU's ability to turn people out for a demonstration.

BARBARA KINGSTON said that RU participated in a May Day demonstration in Detroit along with other groups. One group she mentioned was either LOC or DOC.

Although no RU Collectives went en masse to Washington, D. C. to support the May Day Collective demonstrations, each

Collective leafleted in support of the demonstrations and urged people to attend. RU's position was that it was good for people to attend in order to get revolutionary experience. The demonstrations were also viewed as a possible recruiting ground for RU Cadre.

FOIA(b)(7) - (D)

He also mentioned that several RU members had been arrested along with 80 others in a demonstration centering around Waukegan High School.

noted that all RU delegates had been agitating around the People's Peace Treaty which was sent on to Hanoi. Although RU's work in this regard was not as effective as it should have been, all Collectives got names on petitions for the peace treaty.

2) RU's Structure and Practice:

FOIA(b)(7) - (D)

Prior to instant meeting determined that the East and West Coast delegations had held regional meetings. The Midwest has not held a Regional meeting since late January, 1971 at Detroit. A Midwest Regional meeting is scheduled for mid-June 1971 in Ohio.

The breakdown of RU structure is that each region has a Regional Central Committee and a Regional **Executive** chosen from among the Regional Central Committee. The regional structure is broken down to Area Central Committees and an Area Executive. Members of the Area Executive may or may not be members of the Regional Executive. Midwest RU is expected to implement this structure at the next Midwest Regional meeting.

Regarding practice the West Coast RU has gone in heavily for work in tenant's unions. It was agreed this road is a dead end because it is difficult to raise the revolutionary consciousness from a simple "rats and rents" position to a sophisticated dialectic.

Organizing among the unemployed has not met with great success. Leafletting and counseling measures have been tried but were failures. The West Coast has found recruiting among the unemployed is futile because of the non-proletarian nature of most West Coast unemployed persons. Chicago's unemployment rate is not severe. Seattle, where there is great unemployment, is not a good RU recruiting ground because the expulsion of JEFFREY FREED and his followers has left RU in Seattle splintered and scattered. FREED is considered to be part of FRANKLIN's Venceremos group.

Publishing newspapers has been RU's most successful venture particularly on the West Coast. Some RU Collectives use

CG 105-27305

newspapers as their basic organizing tool and as a vehicle for their mass work. Newspapers have proved a fertile recruiting ground. All RU papers which have been started are still functioning and RU continues to pour money into its newspaper endeavors. There is no East Coast RU paper presently. Those on the West Coast include: Maverick, Salt of the Earth, Free U and Wildcat.

### 3) Area Work Reports:

[redacted] Spokesman said that RU is expanding and prospects for continued expansion are good. A great emphasis is being placed on plant work. RU is becoming more proletarianized and has attracted more Third World people. [redacted] felt that the RU line was sound and superior to anything Los Siete or the Black Panther Party has developed. Because of the breakdown in the BPP and Los Siete, RU views as fertile recruiting grounds people who have affiliated but not been members of these two organizations. [redacted] noted that RU is very leery of accepting into its group any person who previously belonged to another group. RU's wariness in this regard is prompted by the following factors: 1) RU's line is superior to that of any other organization 2) RU is open to penetration by rival Movement organizations 3) Movement organizations, lacking RU's security, harbor police informants 4) former Movement people have developed bad work habits and unsound ideology which RU would have to undo.

[redacted] DIANNE (LNU) from New Jersey commented that New York City is in bad shape organizationally. Myriad movement sects and groups, constantly changing ideology and extreme sectarianism, make RU's role in New York very difficult. She contended that the most hopeful group in New York was the Young Lords organization.

LEIBEL BERGMAN mentioned that work in Newark, New Jersey is at a primitive stage. In [redacted] opinion the brunt of BERGMAN's organizational work is in New York City.

DIANNE (LNU) mentioned that organizing possibilities in Southern Jersey are good. RU has expanded quite a bit there and has enjoyed success among workers because of the large amount of heavy industry there. DIANNE, who apparently has contact with RU in Eastern Pennsylvania, praised the RU Collective in Eastern Pennsylvania for expanding through both plant and community work.

DAVE (LNU) from Boston claimed former success in organizing 50 workers, which he no longer claims, in a plant in the Boston area. He suggested RU should concentrate on working among military bases near Boston. He stated that PLP continues to be very strong in the Boston area.

[redacted] reported on the situation in Chicago. He emphasized that RU's growth here has been small for various reasons. Among them [redacted] noted that the unemployment rate in Chicago is a good deal lower than the nationwide rate thus inhibiting recruiting. He noted that Chicago has many mixed Collectives, whose members work in different fields and proselytizing among such Collectives is contrary to RU policy. Further, the repressiveness of Chicago police is legendary in Left circles. [redacted] also mentioned that the black student movement in Chicago is at a low ebb and Chicago has never had a student population remotely equalling that of Madison, Berkeley or New York City.

However, because Illinois is the leading export state and much heavy industry is situated here RU efforts should be directed toward the proletariat. This group is RU's best hope here though the unemployment issue, in Chicago at least, is not paramount now. Essentially, [redacted] position was that RU's growth here has been small but the potential for growth is good.

BARBARA KINGSTON spoke about the Detroit situation. Essentially, she said that RU there had not grown as she had hoped because other groups in Detroit viewed RU people as colonizers. That is RU sent California people in to organize in Detroit in an area with which they were unfamiliar and into a culture which is unfamiliar.

JOAN (LNU) from Ohio mentioned RU Collectives existed in Cincinnati, Springfield, Dayton and around Antioch College. She mentioned that RU had lost five members in Ohio who had returned to California to join BRUCE FRANKLIN's forces. She mentioned that former SDS people in Ohio were now amenable to RU's line after having been turned off by SDS's tactics of destroying restaurants. (Neither [redacted] nor the writer understands this restaurant reference.)

#### 4) National Headquarters and Newspaper:

A proposal was raised and passed by [redacted] that a national headquarters, which RU refers to as a Secretariat, be established. Its purpose would be to coordinate nationwide RU activities and publish an RU national newspaper. This proposal is to be passed on by the next National Central Committee(NCC) meeting. In the source's opinion the NCC will rubber stamp the proposal. RU hopes to have the headquarters and paper operative within the next six months. The possibility of Chicago or Detroit becoming RU headquarters was discussed but no decision was reached. [redacted] claimed that no paid functionaries, a la AVAKIAN and GREENBERG, would staff this proposed headquarters. [redacted]

#### 5) RU Funds:

MARY LOU GREENBERG talked about the West Coast's fund

CG 105-27305

raising techniques. She said fund raising is restricted to membership who are taxed at a rate of 3 to 15% per weekly salary depending on the amount of basic salary. Additionally, GREENBERG contended, that all of one week's salary per month must be contributed to RU coffers.

The same procedure applies on the East Coast except the rates are 3 to 5% and the one week per month salary proviso is for a limited time only.

A proposal was presented [redacted] that the RU set up a front organization dealing with community affairs in order to raise funds. This proposal was rejected for two reasons: it would be too easy to penetrate and such an organization would be accountable to governmental control and therefore, ineffective from RU's viewpoint. The possibility of committing revolutionary bank robberies was considered but set aside for further consideration. [redacted] member was taxed with the task of doing research into legitimate ways to raise funds and prepare a report on same for the [redacted] meeting. Funds from unspecified "angels" were said to have dried up. In the opinion of [redacted] is strapped for funds but is not destitute. [redacted]

#### 6) China Question:

According to the West Coast delegation, PLP is stating in its publications that China is revisionist. RU rejects this and emphatically supports China. The RU line on these issues is:

a) Visit of Shah of Iran's wife or daughter to Peking. PLP holds that to invite the wife or daughter of a leading capitalist oil oriented country to Peking proves China's revisionism. RU says she merely headed a delegation from Iran to Peking as a sovereign representative. Further, China has been taking logical diplomatic initiatives in Asia to garner allies in an attempt to strengthen herself against the US-Soviet detente. The visit of the Shah's daughter was, therefore, simply part of these larger diplomatic initiatives.

b) The Pakistani War. There was confusion in RU circles over whether the Bengla Dosh (Bengal state) movement was a people's liberation struggle as press accounts made it appear. China supported West Pakistan and this confused RU. The RU line which developed is; from a dialectically historical process what developed is good because West Pakistan in winning the civil war has replaced feudalism with capitalism, a higher historical stage, which will eventually lead to socialism. The feudal sheiks of East Pakistan, possessing both political and religious power as Moslem tradition holds, were seeking to perpetuate their

power by the guise of whipping up a holy war against India. The defeat of the reactionary sheiks is to be applauded as they have misled the people of Bengla Desh. Therefore, the Bengla Desh movement was not a people's war.

c) Ping-pong affair. Because of combined US-Soviet pressures and possible rapprochement, China must of necessity expand its diplomatic and trade offensives. The visit of the ping-pong team was part of people to people diplomacy. China will not ally with American imperialism, particularly large banking interests. China needs to expand its trade particularly in technological areas. The wisdom of the China thaw has been evidenced by favorable American public opinion which has erased the twin stereotypes of the Fu Manchu mentality and the yellow peril danger from the minds of the average American.

[redacted]  
[redacted] The following points were brought up:

1) Upcoming Steel Strike:

[redacted] were convinced that there will be a steel strike. RU views this as a good issue to organize around. It was generally agreed that united front work should be carried on and RU should make attempts to contact other organizations and plan jointly with them ways to take advantage of the strike.

2) Security:

FOIA(b) (7) - (D)

There was a good deal of discussion about security. The chief discussion leader was BARRY GREENBERG who contended that RU's security is very lax. GREENBERG said that all new members will be strictly scrutinized. Investigation of new members will be automatic and there will be some investigations conducted of old personnel including leadership people. Each region is supposed to prepare a paper on security setting guidelines for RU admittance. RU communication, etc. which will be discussed at [redacted].

Although it is RU policy to give out information on a need to know basis this rule has often been broken. It must prevail.

Chicago RU was criticized because the person who organized this meeting, DANIEL FRIEDLANDER, had scheduled [redacted]. Additionally, he had entered [redacted] and was severely criticized for so doing because [redacted] was supposed to include [redacted] only.

GREENBERG claimed that West Coast RU people had their door broken down by the FBI in search of SDS fugitives. He used this as an example of the need for tight security.

The source noted that RU people assume that there are informants in their midst.

[REDACTED]  
meetings, specific names, specific work places, specific activities were not mentioned.

3) Documents:

FOIA(b) (7) - (D)

RU plans to issue a document through its newspapers and the underground press which will detail the differences in line between the FRANKLIN and AVAKIAN forces. This is to insure a clear understanding of the personal and philosophical differences between the two groups for the benefit of present and future RU members. In this regard, the name of a San Francisco newspaperman, ED MONTGOMERY, came up. [REDACTED]

[REDACTED], said that it is RU's belief that MONTGOMERY is an FBI agent not a contact or informant.

BOB AVAKIAN's B-52 paper is in the process of being rewritten. It will take into account criticisms of AVAKIAN's position which were leveled at [REDACTED]. It will contain the resolutions which were passed [REDACTED] as well as, the criticisms of [REDACTED] resolutions which were not passed.

Red Papers II and III will be revised, rewritten and republished. Articles written by BRUCE FRANKLIN or his sympathizers will be deleted. Specifically, FRANKLIN's article on the lumpen proletariat, which the source opines many RU people agree with, will be deleted from Red Papers II and III. Future plans call for Red Papers IV to consist of the rewritten B-52 paper. Red Papers V is to detail the FRANKLIN-AVAKIAN split over the question of armed struggle and to present the case of both sides on this issue. [REDACTED] mentioned that it was against RU policy to mention RU's armed struggle position in print. Though he knows it to contradict [REDACTED] posture of tightening security, [REDACTED] maintains [REDACTED] members agreed that armed struggle would be the subject of Red Papers V.

4) Miscellaneous:

[REDACTED]  
FOIA(b) (7) - (D)

In the course of debriefing, [REDACTED] recalled from an unrecalled previous conversation that BRUCE FRANKLIN boasts about having a source in the Justice Department.

There was no discussion of weapons. There was no discussion of Weathermen. The meeting was generally amicable and conciliatory.

RU will probably pass a resolution supporting the Black Worker's Coalition.

[redacted]  
mentioned that RU people in North Chicago convinced of the rightness of the RU line, were pressuring for more open work. The consensus [redacted] was that the organization needed to be built up further before some of its members could work openly.

LHM to follow.

However, it was also decided to call the Central Committee together to ratify this decision. The reasons that the Standing Committee voted to dissolve the women's Collective included the following: 1) the women's Collective (which existed for a very short time) was developing into a faction which is contrary to the principles of democratic centralism, 2) their position was feminist by which RU means that the main Marxist-Leninist world contradictions is between men and women 3) the women's Collective was petty bourgeois in that its concerns were specific, mundane and emotional 4) RU policy states that it is to be a multi-national organization which means black and white, male and female; separate caucuses are contrary to RU policy 5) Red Papers III outlines the RU position that only after the seizure of state power and resolution through struggle will such imperialist hang-ups as sexism and racism be erased.

On Sunday, July 18, 1971 an emergency Central Committee meeting was held to discuss the Standing Committee's vote dissolving the women's caucus. The meeting took place at 17th and Maine in Melrose Park.

FOIA(b) (7) - (D)

This meeting was raucous, emotional and indecisive. MARY FENSKE explained the Standing Committee's position outlined above. PAT PERRY and DAN FRIEDLANDER led the opposition and turned it into a tirade against the Standing Committee's leadership. There was much haggling over whether a vote should be by majority or two thirds. Many women gave emotional speeches about being true to the sisterhood, they denied that they were a faction, some remarked that all men were beasts. Many tie votes were taken. Finally, to resolve the hassle it was decided that the women of the Central Committee will investigate the women's caucus and report their findings.

Source noted, as he has in the past, that RU women are very concerned and highly emotional about women's liberation. They believe that RU as an organization has not fully attempted to relate to women's liberation groups and therefore find the organization a bit wanting.

FOIA(b)(7) - (D)

Source noted that ALICE FIALKIN was almost paranoid in her attacks on male chauvinism in RU. She gets vehement about the inhumanity of men and the dehumanization of females. Source contends her emotionalism over the female issue leads her to such contentions as RU is run by the Collectives from the "bottom up" rather than "top down" as LENIN, MAQ and RU policy clearly dictate.

LHM will follow.

FOIA(b)(7) - (D)

There was a discussion of the removal of DAN SWINNEY from leadership of his Collective. This had occurred several weeks ago. The Central Committee members ratified his removal which was based on charges of self-interest, "horizontal organizing" and failure to integrate with the masses. PEGGY DUBLIN has replaced him as Collective head and IRENE HURST will probably replace SWINNEY on the Standing Committee. SWINNEY will continue to be on the Central Committee. The source noted that, in effect, what occurred was that SWINNEY has lost his base but remains a part of leadership which is not contrary to RU policy.

JIM and BOB (LNU) presented a critical paper arguing that RU had a dual line. One proletarian; one petty bourgeois. This generated a good deal of heated discussion. BOB and JIM argued that those who did not follow a proletarian line i.e. relating to the working class only should be purged. They particularly directed their argument against intellectual and student types with ALICE FIALKIN being singled out as an archetype. The issue was not resolved.

A proposal was brought up to establish a Women's Commission. This proposal called for the establishment of a board which would have investigative powers, be able to formulate strategy, have the power to discipline recalcitrants, and name those men appointed to it. It was probably the brainchild of ALICE FIALKIN who continues to flail men as "the enemy" and also continues to show a lack of understanding of Marxist-Leninist theory. The proposal calling for the Women's Commission assumed that it would be an ongoing, continuing group. The proposal was rather soundly defeated because it gave too much power to the Women's Commission which would in effect become a second power center and because it was essentially factional. The defeat of this proposal sounded the death knell of the women's caucus idea, in the source's view. Additionally, the source feels that attempts will be made to isolate FIALKIN from RU activities. She knows too much to expel her at this point.

In response to questioning, source commented about RU along the following lines: There is a general feeling that RU has gotten things together and is moving forward. Their line is vastly superior to any other organization. There is a feeling of belonging to an elite group which is the only one that is functioning effectively. Members feel little competition from PLP, SWP, CP, etc. Adventurism is frowned on. RU is not devoid of action oriented Weatherman types but it is generally true that the ineffectiveness of adventurist tactics, a la Weatherman, has lessened

activist impulses. A good deal of respect is afforded the person who is knowledgeable about Marxism-Leninism and can analyze concrete American conditions within a Marxist-Leninist context. Study, theory and proper practice are respected.

SHELLY (LNU) is described as white female, age 20, 5'2" - 5'3", dark hair and eyes, chunky build, plain looking, probably student. ALICE FIALKIN is leaving the North Chicago, Illinois, area on either Wednesday or Thursday of the week of September 27, 1971. She plans to travel with a GARY (LNU), who received a general discharge from the Navy at Great Lakes on 9/21/71, from Service School Command and the Transient Personnel Unit. They plan to go first to New Mexico, then California, and afterward back through North Chicago to New York, possibly to ALICE's home. GARY LNU has been at Movement for a Democratic Military (MDM) meetings in the past, and has done some artwork for the MDM newspaper.

MDM is going downhill due to lack of support. Their recent boycott of several North Chicago jewelery stores was somewhat of a flop, and they are now centering on Hallmark's Jewelers. Current MDM members are:

JOHN LNU, a Negro male currently AWOL from the U.S. Navy at Great Lakes, is from New York State somewhere, is expected back to the Great Lakes-North Chicago area in about a week.

SCOTT MADISON - becoming head of the North Chicago Chapter, MDM, as ALICE FIALKIN is leaving. Now working.

PAUL KOTAPISH - out of work and living at apartment at 1227 Broadway, Apt. D, North Chicago. Only one present at MDM office here during day. Plans to leave Great Lakes area in several weeks when a friend gets out of the Navy.

GERALDINE SESE - has been talking of leaving the area also, no real following for MDM. She is getting ready to quit work about 12/1/71, as her company is moving farther away and the poor pay won't make it worthwhile to continue.

RICH GREEN - a sailor, soon to be placed on restriction at Great Lakes.

It is not known where SCOTT MADISON works, though it is believed a factory somewhere nearby. MADISON plans to quit soon and do MDM or anizing and fund raising work during the day.

RICK CLARK - a sailor at Great Lakes, recently released from the brig and trying to get discharged. He may stay around Great Lakes-North Chicago afterward or return to his home in Ohio.

In connection with CLARK's possible leaving, ALICE FIALKIN was overheard to tell him that if he leaves, SCOTT MADISON would get in touch with a KATHERINE (LNU) who would know names and locations of people in Ohio for him to get in touch with. These people are in the Revolutionary Union(RU).

Several collectives of the Chicago Area RU are in the process of dropping out of RU. The owners of a Dodge convertible loaned to ALICE FIALKIN, a DAN and PAT LNU (married couple), from Chicago, head a Chicago collective which last weekend dropped out of RU.

The North Chicago RU Collective has stated to RU that unless changes are made they intend to drop out, as does the Waukegan collective. There are indications that most members of the North Chicago Collective, FIALKIN, SEBEST, CLARK, and MADISON, previously mentioned, all plan to leave the area. No such indications about members of the Waukegan Collective have been determined.

ALICE has talked about a dinner to be held at her apartment, possibly on Sunday 9/26/71, to be attended by people from other collectives, particularly these which are leaving RU.

DANIEL SWINNEY's whereabouts are unknown, though a letter from him is expected by North Chicago MDM/RU. It has been mentioned that SWINNEY is from Virginia and his parents are now in Africa, and he is to write a letter to his landlord stating that he is needed in Virginia and that his apartment should be turned over to SCOTT MADISON. The letter is to be sent to MDM/RU in order to get around the problem of a Virginia postmark, and to be delivered by them to the landlord. It was also mentioned that some sort of checks are being sent in SWINNEY's name to his old apartment, and SCOTT is depositing these in savings account in SWINNEY's name, to be sent to him when his location is known.

A speaker from the Venceremos Brigade (VB) is expected at MDM on the evening of 9/24/71.

It has been discussed that a KEN (LNU), who used to work with CAMP in Chicago is going to ask to be on the MDM staff and live at the North Chicago apartment, as he is to go to a college or university around and it would be convenient for him.

MDM is starting to work on a new issue of its newspaper, scheduled to go to the printers around the third Monday in October. Its current theme is "political prisoners".

SCOTT MADISON's car was stolen recently, shortly after it was made operable, and MDM is very short on transportation. RICK CLARK's motorcycle is also broken down. ALICE has stated that PAT and DAN, from Chicago, may not want the car back that they are currently loaning to MDM. This car is MDM's only means of transportation. DAN lives in the city of Chicago and teaches at a university there.

ALICE's initial destination in New Mexico has something to do with a new project started there by former members of the Chicago Area Military Project (CAMP), the nature of this project being unknown.

MDM is to attend a court martial at Great Lakes on 9/24/71 for a sailor named POULIN, receiving general court-martial for narcotics violations.

PAUL KOTAPISH is described as follows:

Race: White  
Sex: Male  
Height: 6'  
Build: very skinny  
Hair: dark brown, thick, long, mustache  
Peculiarities: usually wears rectangular sunglasses.

KOTAPISH has filed for state unemployment.

9/27/71

The three collectives planning to drop from the Chicago area RU plan to do so at the next Central Committee meeting.

A party was held for ALICE FLALKIN Saturday, 9/25/71, in Chicago, Illinois, in a single family house, address believed to be 5833 Race(uncertain) Ave. This is located about 8 miles from downtown, and the street on which it is located has a Crestview Apartments located on a corner near this house. The party was given by a TERRY (LNU), a white female, married(husband's name possibly TED), about 30, 5'10"-6', thin build, short black hair, has a 3 year old daughter.

In attendance from the Waukegan-North Chicago area were MIKE and IRENE HURST, CHARLIE and PEG (LNU), JERI SEESE, SCOTT MADISON, ALICE FLALKIN, RICK CLARK, and a Negro male named GEORGE. GEORGE is believed to be a police officer in Waukegan or North Chicago, having badge #124. He was picked up by CHARLIE and PEG, and brought to the party to meet somebody there. GEORGE (LNU) was described as a Negro male, early 20's, 5'10"-6', slim build, formerly in the service, just recently arriving in town and getting temporary work for the police department.

No discussion was conducted in GEORGE's presence as he was not trusted by most present, and he left rather early in the party.

1 unknown white male  
1 unknown white female

At this meeting, the three collectives talked about dropping out of RU but staying together in contact with one another. The unknown persons were believed members of DAN & PAT's collective, and the male is to be married in 2-3 weeks on a Saturday at Terri's home.

TERRI (LNU) is supposedly in contact with people in the RU in Ohio. She is a member of RU, and it is believed her husband is also, though he was not present Sunday. She has a brother who is a math scholar and who participated on a tour of China. He is a left winger and is scheduled to be at her house the first weekend in October to give a talk on his experiences in China and North Vietnam.

Also at the Saturday party were people from the Venceremos Brigade, and from a guerilla theatre troupe. Another VB is being planned for February, with SCOTT MADISON planning to go. The guerilla theater people work at a Red Star Press in Chicago, telephone number 248-3573, where the issues of Navy Times are Changin', MDM's newspaper, are cut. They are printed separately, however, and soon will both be done at the same place as the printer is getting new cutting equipment.

It was decided that JOHN (LNU) and RICH GREEN from MDM are to be asked to join the North Chicago RU collective.

JERI SMISE has a Negro male boyfriend named DICKIE GREEN, who, though not known to be now involved in militant activities, seems to be responsible for JERI's getting involved in "the movement". He never attends MDM or RU meetings. GREEN just bought an old grey Buick to drive.

At a meeting of the National Committee, CPUSA held in New York New York on January 4 - 6, 1969, DONALD HAMERQUIST, National Committee member from the Oregon District, CPUSA, submitted a letter of resignation from the National Committee. FRIEDLANDER attended a meeting of the State Committee Illinois District, CPUSA, held on January 12, 1969, at the Atlantic Hotel, Chicago. In this meeting, FRIEDLANDER was among several individuals recommended to serve on a district committee to prepare a draft State Resolution which would contain a review of district work. FRIEDLANDER, however, declined to serve on this committee. At this meeting, FRIEDLANDER made statements regarding the CP getting old and that he did not see any proposals at this meeting alleviating this condition. He voiced concern as to how leadership could be replaced.

At a meeting of the Press Committee of the Illinois District, CP, USA, held on January 16, 1969, it was mentioned that FRIEDLANDER requested permission to speak at the Forum to present the minority report from the recent National Youth Commission Meeting to the Expanded Youth Commission meeting to be held January 19, 1969. The board determined that FRIEDLANDER be allowed to speak at the Forum to present his position on the condition he not make any anti-Soviet remarks. The board then decided to print the minority report from the National Youth Commission meeting and to distribute it to the Chicago youth thereby beating FRIEDLANDER to the punch.

(CG T-3, 1/20/69)

On January 19, 1969, a meeting of the CP Youth Commission, Illinois District, was held at the Wabash Avenue YMCA, Chicago. FRIEDLANDER was among approximately 30 people attending this meeting, which was called for the purpose of forming a Youth Committee League. On January 21, 1969, a meeting of the State Board, CP of Illinois, was held at a private residence in Chicago. At this meeting, which FRIEDLANDER was not in attendance, JACK KLING, State Secretary, CP of Illinois, stated that a close look should be given towards individuals recommended to the State Committee. He stated that FRIEDLANDER should not be re-elected to this committee. He said that FRIEDLANDER currently is opposing the Party at almost every turn and that he has learned that FRIEDLANDER is preparing a statement to the effect that the National Committee of the CPUSA consists of a group of old people who are out of touch. FRIEDLANDER feels that the coming National Convention should elect an entire new leadership

consisting of mainly young people, however, he feels that there are some selected older Party members who should be retained. KLING stated that he expects FRIEDLANDER to appear at the Illinois State CP Convention with a number of new disagreements. KLING stated that it is imperative to maintain unity at the convention even if it means expelling FRIEDLANDER.

(CG T-5, 1/27/69)

On February 3, 1969, a meeting was called by FRIEDLANDER for the purpose of formulating some new proposals to continue the demonstrations at the University of Chicago and to keep this university on the defensive. A State Committee agreed to accept his resignation from that body (State Committee) but held in abeyance his resignation from the CP, pending a meeting of the State Committee with FRIEDLANDER. During this meeting, FRIEDLANDER was further discussed in that he had differences with the Party but that he is still friendly and that he consulted the Party concerning his job possibilities after recently being suspended from the University of Chicago because of participating in demonstrations. Students For A Democratic Society

Students for a Democratic Society (SDS) was founded during June, 1962, at Port Huron, Michigan, and in the 1960's functioned as the leading New Left campus-based student organization in the United States. From a stance of "participatory democracy", the SDS moved to a radical-revolutionary position. It maintained a national office at 1608 West Madison Street, Chicago, Illinois, until February, 1970. Internal factionalism during 1969 produced three main factions: Weatherman, Revolutionary Youth Movement (RYM), and Worker Student Alliance (WSA). The Weatherman and RYM no longer consider themselves associated with the SDS. The WSA faction continues to use the name SDS.

The January 11, 1969 issue of "The Daily Illini" Champaign-Urbana, Illinois, University of Illinois newspaper, on page five, reports on the appearance on campus, on January 10, 1969, of DAN FRIEDLANDER, who was identified as a member of the Chicago regional SDS. According to this article, FRIEDLANDER was one of a group of SDS members, invited by the Cuban Government to visit that country. FRIEDLANDER spoke in the East Ballroom of the Illini Union and gave "a guided tour through Cuba, using slides and explaining some of the forces behind and results of the Cuban revolution. He referred to the great pride Cubans have in their country, stating "the nationalism of Cuba was always toward independence and against foreign imperialism." At one point he referred to FIDEL CASTRO and his men as "early members of SDS".

CG 100-35770

DAN FRIEDLANDER, who was identified as an SDS member from Chicago, attended the National Council meeting of the SDS held from March 27 through 30, 1969, in Austin, Texas.

(CG T-15, 3/30/69)

FRIEDLANDER, as of May 19, 1967, was a member of the University of Chicago Chapter, SDS, which at that time was recognized by the University as a student group on the campus.

(CG T-11, 5/20/69)

New University Conference

A pamphlet distributed by the New University Conference (NUC) in December, 1970, states that it is a national organization of graduate students, faculty, and staff whose members are "radicals committed to the growth of a revolutionary socialist movement in the U.S." NUC maintains a national office at 622 West Diversey, Chicago, Illinois.

FRIEDLANDER was among approximately 11 individuals who attended a regional meeting of the NUC held on [REDACTED]

[REDACTED] FRIEDLANDER, who identified himself as an NUC member and a member of RYM II Faction of SDS, gave a speech regarding travel to Cuba with the Venceremos Brigade. FRIEDLANDER requested that members of the meeting contribute funds to help send members of the Venceremos Brigade to Cuba. Checks for this cause, according to FRIEDLANDER, should be payable to him or another individual whose name he mentioned. FRIEDLANDER gave the total expense figures for travel to Cuba as part of the Brigade and stated that he wants people to travel to Cuba who have a deep commitment to the movement and will speak about Cuba upon their return to the United States.

Venceremos Brigade

The Venceremos Brigade was formed in June, 1969, by a coalition of New Left organizations to encourage American youth to travel to Cuba in defiance of a ban on travel to that country by the United States Department of State. The ostensible purpose of the travel was to assist the Castro regime in the harvesting of sugar cane and other agricultural products and to give young Americans the experience of living in a revolutionary communist country.

FRIEDLANDER was among approximately 45 individuals who attended a regional meeting of the New University Conference (NUC) held on December 7, 1969, at the Methodist Evangelical Church, 925 West Diversey, Chicago. At this conference, FRIEDLANDER proposed that each member of the NUC give a day's wages each month to the Black Panther Party. FRIEDLANDER spoke in opposition to the current repression of the Black Panther Party and that if this treatment is allowed to continue, all radical groups will face annihilation.

(CG T-16, 12/8/69)

Black Panther Party  
also known as  
Black Panther Party For Self Defense

The Black Panther Party (BPP) is a black extremist organization started in Oakland, California, in December, 1966. It advocates the use of guns and guerrilla tactics to bring about the overthrow of the United States Government.

Revolutionary Union  
also known as  
Red Union  
Bay Area Revolutionary Union

The Revolutionary Union (RU) was founded in early 1968 and is a militant, semiclandestine organization. Its objectives as set out in its publication, are the development of a United front against imperialism, the fostering of revolutionary working-class unity and leadership in struggle, and the formation of a communist party based on Marxism-Leninism-MAO-Tse-tung thought, leading to the overthrow of the United States Government by force and violence.

FRIEDLANDER, a member of the Revolutionary Union, Chicago, Illinois, is known to have attended at least nine Revolutionary Union meetings held in the Chicago area during the period December 1, 1970 - August 9, 1971.

As other Chicago sources have reported, Chicago RU has been decimated recently.

Two Collectives in the North Chicago-Waukegan area have left RU. One that has split from RU was the so called MDM Collective. The only remaining RU Collective in that area is the one which centers around MICHAEL and IRENE HURST and CHARLES CHURCH.

ALICE FIALKIN has definitely left RU. She has gone to New Mexico with LUIS CUSA and his wife. FIALKIN over the past year has made it clear that she disagreed with the RU position on armed struggle (RU's position not militant enough for her), Third World recruitment, and women's liberation. In source's opinion she was "a big disrupter" who believed she had unrecognized leadership qualities. FIALKIN will not be accepted back into RU.

A Collective in Chicago which centered around DANIEL FRIEDLANDER and PAT PERRY has also resigned from RU. TERRY RADINSKY was part of this group.

[redacted] advised on 8/14/72 that subject is no longer associated with RU but is a member of the Sojourner Truth Communist Collective (STCC). He is suffering from cancer of the lymph glands and has received cobalt treatment. He is expected to die.

PAT PERRY is an ex-nun whose second marriage was to subject. She may be an STCC member. PAT PERRY FRIEDLANDER is not identical with PATRICIA CROTTY which picture was sent to Chicago by the San Diego office.

Source stated that NOEL IGNATIN, STCC founder, has not done well in the Gary area. His organizing has been ineffective. As a result IGNATIN returned to Chicago's North Side for awhile but has now gone back to Gary.

DATE: JUN 12 1973

FROM : SA RICHARD FRANK NELSON

SUBJECT: SOJOURNER TRUTH COMMUNIST COLLECTIVE (STCC)  
IS-CH

FOIA(b)(7) - (D)

On May 21, 1973, [ ] furnished the following information:

The STCC continues to be active primarily in the Gary, Indiana, area. DON HAMMERQUIST and NOEL IGNATIN are leaders in the STCC.

Many STCC people originally came from the Chicago SDS and the Chicago RU. JIM HOWE, HARRIET BEALE, DAN FRIEDLANDER, PAT FRIEDLANDER, JOHN STRUCKER, FAIRINDA WEST and TERRY RADINSKY were active in RU, but left about the time of the FRANKLIN-AVAKIAN dispute in 1971 and reportedly joined STCC.

LOWEN BERMAN is employed at the Sunbeam Corporation in Chicago and is in STCC. He has had confrontations with RU interest at Sunbeam.

JIM HOWE and HARRIET BEALE and later KATHAN ZERZAN came to Chicago from the Pacific Northwest and joined the south side collective. HOWE and BEALE lived together. One week after ZERZAN arrived they all split from RU probably because of the FRANKLIN-AVAKIAN dispute. HOWE, BEALE and ZERZAN lived with CHRIS GERFY while active with RU from approximately March, 1971, to summer, 1971. BEALE went back to Northwest and HOWE and ZERZAN went to STCC.

KATHAN ZERZAN currently resides with a non-political white male at 48th and Lake Park, Chicago. She is apparently "ripping off" the white male for room and board.

JIM HOWE is with STCC in Gary, Indiana. In 1971, HOWE owned two unregistered M-1 rifles. HOWE is an excellent printer.
